

# Apostolic Outlook

By Bishop Bill Anderson

*“This will be a good year.”*

*The Hebrew year 5770 is a milestone in the end of this age and the transition in the next. We are living the times that the Earth is coming into a new comprehension of holiness in the physical realm. There is the re-emerging glory of Solomon’s Temple which boldly displayed the Glory of God and His renown in the world.*

*Rosh Hashanah (Sep 18-20) marked a significant shift in seasons and we have now entered the era of the establishment of the kingdom where Jesus will reveal Himself not only as Savior and Bridegroom, but as rightful King and Honored Head of His church.*

1. **The year 2010 will be a very critical and pivotal year.** Something big is going to take place that will trigger a series of end-time events. This will happen both in the spiritual as well as in the natural. We need to be positioned to respond appropriately when it happens. Yes, 2010 will be a significant year.
2. **The earthly and spiritual realms will become even more seamless.** Heaven invading earth, a glory invasion, “in earth as it is in heaven.”
3. **The miraculous will be a way of life,** the supernatural will be a common occurrence for the people of God!
4. **A year of Building, Shaking, Filling! Haggai 2:4-9.** Without doubt, this is the time to build our spiritual lives and maturity. The shaking we have experienced is nothing compared to what will be coming. Whatever can be shaken will be shaken that only what cannot be shaken, the Kingdom of God, will remain. Those who have built on a firm foundation of kingdom principles and dynamics will not only withstand the shaking, but also expect to be filled with the glory of God. This is the glory of the latter temple that will far exceed the former ... “the re-emerging glory”. “One thing’s for sure ... we’re in for something monumental in the coming days.”

*I sense we have crossed from one place to another, from one season into another ... we have moved into a new phase of what God has in store for our church, and yet, not just our church, but for the entire Body of Christ.*

*We must now prepare and position ourselves for the next move of God through you and me as His vessels! I am excited as I consider the “significant shift in seasons”. Looking at the signs of the times and the state (of mess) the world is in, this presents such hope and promise for those who would walk close to God and be found in His perfect will.*

*Certainly, now is not the time to be distracted or deceived by the things of the world or the enticing doctrine of misunderstood grace.*

*I hear the words, “Gird up your loins.” More specifically, in 1 Peter 1 :13-21, Peter says, “Gird up the loins of your mind, be sober ... as obedient children ... be holy in all your conduct ...” Paul says the same thing yet in different words ... “And do not be conformed to this world, but be transformed by the renewing of your mind ...” Romans 12:1,2*

5. **Now is the time to press in and not let go** until we are found in the loving arms of the Bridegroom.
6. **It’s time to regain a correct perspective of the fear of the Lord.** Fear God! For too long, we have taken things too lightly.

## UNDERSTANDING HEBREW

### **The House of Messiah**

There are some well-known *gematrias* for 770, among them “House of Mashiach” (בֵּית מְשִׁיחַ), “Expand outwards” (פְּרֻצָּת),

### **Kingdom: The Good of the Land**

Before we completely forget about the month of Av, the final day of this month is the 30th of Av. The entire month of Av is related to the verse in Isaiah, “If you wish and you listen, then you shall eat the good of the land” (אִם תֵּאָבְדוּ וְשָׁמַעְתֶּם טוֹב הָאָרֶץ תֹּאכְלוּ). The second half of this verse, “the good of the land” (טוֹב הָאָרֶץ תֹּאכְלוּ) is also equal to 770. The entire Land of Israel is a great big “House of Mashiach.” The earth was given its name (אֶרֶץ) because it means “wanting to do God’s will”. Those who do God’s will receive all the blessings in the world. The goodness comes as reward for doing God’s will. Goodness and will in general go together.

What this means for us is that the coming year, 5770, will be one of goodness, physical blessings, with rains in their proper time providing plenty of produce and spiritual blessings with the spiritual rains falling from above, from the supernatural land, in plenty. Obviously this *gematria* corresponds to kingdom, which the earth symbolizes.

### **Divine Presence and The Bride**

*385 is the value of “Divine Presence” (שְׂכִינָה), the Shechinah. That 770 is equal to twice the value of the Divine Presence alludes to the fact that there is both a higher Shechinah and a lower Shechinah. There is both a conceptual and a numerical relationship between the Divine Presence and a bride. Conceptually, the Divine Presence is related to the Almighty similarly to the way a bride is related to her husband. Numerically, the value of “bride” (כַּלָּה) is  $55 = r10$  and “Divine Presence” (שְׂכִינָה) is  $385 = r310$  (the third-dimensional triangle of 10). In addition,  $385 = 7 \cdot 55$ , the value of “bride” (כַּלָּה). The secret of this last relationship is that thanks to the seven revolutions the the bride makes around her groom, the Divine Presence is brought under their wedding canopy.*

## Pure Gold and Silver

Finally, the four most important metals are: gold, silver, copper, and iron. In the Bible, we find that each has particular adjectives that describe the metal when it is in its pure form. 770 is the value of the two Biblical idioms, “refined silver” (כֶּסֶף צָרוּף) and “pure gold” (זָהָב טָהוֹר), which equal 536 and 234 respectively. When it is pure (24K) gold can be made into long threads. This type of thread was used in the preparation of the Tabernacle.

*1 Sam 18:9 And Saul eyed David from that day and forward.*
