I See

1. The Church is coming into its finest hour and the world is going backwards. People thought the Church died, it probably has as they know it. But God is setting up His Kingdom, putting things in order and thus rebuilding His Church and the gates of hell will not prevail against it.
2. It is a critical year for the arts. God is giving the Church a new Platform. However, I see that which doesn't start will never start, and that which is not thought, won't be.
3. It is a year for the apostolic anointing. Things that haven't been easy will get easier. Things that haven't produced will begin to produce.
4. It is a year when many Christians will feel separated not to be confused with alienated... It's not a bad thing, it's a God thing. It's a new decade, we've approached the double digits. There was the 09 and now there is the 10, there was the 08 and there will be the 11. (Hebraic 5770 vs. 5769). It will feel like a distinction between the old and the new. That was then and this is now.
5. It is the year to pursue... HOLINESS without which NO ONE will see the Lord" (Heb. 12:14). Live your lives so that others can see the effect of consecration: the result of purification. Make every effort to be holy; without holiness no one will see the Lord.
6. Change has already come to those who are under His thumb (apostolic anointing.) Those who have been prepared for use or action, especially in warfare will continue to increase the gap between effective and ineffective Christians. In fact, by the end of the year an ineffective Christian will be marked by below the average in structure, function, intelligence, or behavior. Eventually they will be labeled defective. Work at being effective.
7. The church is going to gain some weight ...because they are going to put on the weightiness of God.
8. People will appreciate the creation and begin to give glory to the Creator. Who makes the sun wake up and greet us...the snow will be whiter and the sunsets prettier.
9. The hand of God will protect His people. As long as they obey Him, they will find themselves in the right place at the right time.
10. The hand of God is the fivefold ministry this year. – We need all the gifts It's time for all those who are in distress, in debt or discontented to be gathered around and accountable to leadership. Expect the Gideon 300 hundred to begin to form.
